
CAMS HIRE LIMITED

Company Environmental Policy

CAMS HIRE LIMITED is committed to reducing the impact its activities has on the environment.

The key points to this strategy are:

- To minimise waste and continue to send as much waste for recycling as possible.
- To safely store all waste oils in IBC until collected for recycling by “Waste Oil recycling limited”
- To safely store all clean diesel and oils in fully bunded tanks to minimise any risk of contamination with the environment.
- To ensure fleet vehicles are regularly maintained to reduce environmental impact from emissions.
- Avoid unnecessary use of hazardous materials and products, including adhesives and cleaning chemicals and source more environmentally friendly solutions where possible.
- To ensure unused lights, compressors and other electrical machines are switched off when not in use to reduce electrical usage.
- To continue to monitor our consumption of fuel and energy with a review of methods available to further reduce these.
- Promote environmental awareness among our employees; encourage alternate environmentally friendly methods of transport to work.
- Where possible purchase office stationary and supplies from recycled materials and sustainable source suppliers.
- Review this strategy annually to ensure we strive to continually improve our environmental performance.
